

## SUBMITTAL FORM

We would like to enter the following project for consideration in the 2018 AWMAC BC Awards of Excellence program. This project was completed between January 01, 2017 and March 31, 2018. We have obtained permission from the Owner to enter this project and have also received approval to have photographs taken. We understand it does not need to be a GIS project. We will complete this form clearly and correctly knowing the information will be used on photo boards and in the presentation displayed at the Awards night on Thursday, Sept 13, 2018. We understand that email addresses must be provided.
